“Anyone who sets himself up as religious’ by talking a good game is self-deceived. This kind of religion is hot air and only hot air. Real religion, the kind that passes muster before God the Father, is this: Reach out to the homeless and loveless in their plight, and guard against corruption from the godless world.”

James 1:26-27

What Makes Beacon Hill Unique?

The Support Family Program through Beacon Hill is quite possibly the most significant piece to bringing hope into the lives of the residents. Families throughout Anchorage have made a long-term commitment to walk their “adopted family” through their stay at Beacon Hill and long after. They help with physical, emotional, and spiritual growth in the lives of these women and their children. We believe the Support Family Program is critical to the success of Beacon Hill, both for permanent housing for each exiting resident and sustained success in their lives.
